Preferred Hardy Plants

THE wonderful climate of Michigan, plenty of sun, variety of soils, and unusual Freedom from insect pests, have helped us a great deal in the building up of fine Collections of Hardy Plant Material.

If you are not already one of our customers, we will say that you will find it a pleasure to get plants from us. Our methods of growing and careful handling insure, under proper care, magnificent development in your garden.

THIS SPECIAL PRICE LIST

contains a general assortment of Ornamental Hardy Plants and some Fruit Stock. Although we are known strictly as a Quality Concern, we have always believed in making our prices as low as is possible, which you will find true when comparing with other reliable nurseries.

OUR GROWING FACILITIES

Whenever you visit the Cottage Gardens you will be surprised at the immense collection of New things that are being propagated for later distribution. For years we have tested literally hundreds of varieties of Hardy Plants from all over the world.

Constant Improvements and Enlargements, necessitated by rapid growth of our business, have made us one of the best equipped Horticultural Establishments in the Middle West.

PEONY AND BULB CATALOG

Our well known Peony and Bulb Catalog, lists also a collection of Chinese Flowering Crabs; part of our immense collection of French Lilacs will be added in a forthcoming issue.

BUSINESS HOURS

During April and May, 6:30 A. M. till 8:30 P. M. After June 1st 6:30 A. M. until 5:30 P. M. Saturdays we close at 4 P. M. Although we do not dig or deliver goods on Sunday, we will meet out-of-town visitors on Sunday by appointment.

Visitors are always welcome. You never want to miss Peony Time (about June 15-25). Our Peony Trial Garden will be very interesting this year, several hundred varieties are represented and the latest novelties have been added.

CONVENIENT LOCATION

Our Headquarters are just a few blocks west of City Limits (Beltline Railroad) on West St. Joseph street, while we also have an entrance on West Main street just east of Grand Trunk Viaduct.

INFORMATION

Those seeking reliable information on Plant Material, Pruning, Spraying and general care of plants, are invited to write, Telephone (29021) or call at our office, where you will always find us ready to serve you.

Hardy Ornamental Shrubs

FRESHLY DUG

It is natural that Shrubs grown in Michigan are better adapted to Michigan Gardens than those grown in less rugged climates. We grow a well diversified stock with ample roots and bushy tops, assured by intense cultivation and fertile soil of our nurseries.

		Each	Per 10
ALMOND, DOUBLE FLOWERING, PINK. Amygdalis Communis, grows to 4 feet. A beautiful shrub of medium size producing small rose-like flowers in May.	2-3' 3-4'	\$.75 1.25	\$7.00 10.00

	3-4'	2.50	24.00
FLORIBUNDA "PEACHBLOW", Rosy pink. New.	2-3'	3.00	27.00
FRUCTA LUTEA, yellow-fruited	2-3'	1.00	9.00
	3-4'	1.50	14.00
IOENSIS (Prairie Crab) Single pink,	2-3'	1.00	9.00

MALUS—(Continued)

SCHEIDECKERI. Very showy, early flowering with double pink blossoms.

2-3', Each 1.50; Per 10 14.00

SNOWBANK, free-flowering, white.

2-3', Each 1.25; Per 10 11.50

If interested in other varieties, write us. We have small quantities of several other sorts.

PHILADELPHUS (Mock Orange)

AUREUS (Golden Syringa), dwarf-growth.

15-18", Each .70; Per 10 6.00

18-24", Each .80; Per 10 7.00

BOUQUET BLANC. Every branch a fragrant bouquet.

Grows 5' high.

2-3', Each .65; Per 10 5.50

LEMOINE (Lemoine's Mock Orange), grows 3-4'.

1½-2', Each .50; Per 10 4.00

2-3', Each .75; Per 10 6.50

NIVALIS, Snowbank Mock Orange, 8'.

2-3', Each .40; Per 10 3.50

VIRGINAL, New. Grows 6-8'.

The most beautiful white-flow-
ering shrub in existence. Marvelous pure double,
white flowers. The only mock orange that will
give blossoms during the summer.

PRIVET, the Universal Hedgeplant.

PRIVET AMOOR RIVER. Exceedingly hardy and
most popular hedge.

PRIVET CALIFORNIA, Glossy foliage, desirable for
medium sized hedge. Subject to winter-killing in
severe winters.

PRIVET IBOLIUM, resembles California Privet but
is hardier.

PRIVET LODENSE, very dwarf hedge, dark green
foliage.

PRIVET, REGEL'S, 4-5'. Horizontal manner of
growth, dense foliage, turning bright red in fall.
Blue berries.

PRIVET, IBOTA (Japanese Privet)

PRUNUS PISSARDI, Purple-leaved Plum

PRUNUS TRILOBA, Double Flowering Plum. Double
rose-pink blossoms along the stems in early spring
a lovely tree.

Philadelphus "Bouquet Blanc"
Every branch a fragrant bouquet.

a Lovely Garden?

Make Your Backyard
an Outdoor Living Room

ROSES

You can grow Roses in Michigan, to perfection, especially where the soil is a clay-loam, which, with proper drainage, is ideal for Roses.

The plants we send out are Northern-Field-Grown, budded on so-called Multiflora which makes a fibrous root-system. A great deal is to say for Fall planting of Roses but for those who rather plant in the Spring, we always pot up a good many Roses, Hybrid Tea and Hybrid Perpetual, that may be planted as late as July. These potted field-grown Roses are kept over winter by us in a deep coldframe without heat.

This has proven to us as the ideal if not the only method for successful spring planting of Hybrid Tea Roses. If you use dormant plants in the spring they must be planted real early when the ground is not always in workable condition, while potted Roses may be planted any time during Spring and you can prepare your soil properly. These potted roses go right on and produce flowers earlier than dormant stock and are better established by the end of the growing season. Many roses are grown in California and Texas and kept in storage over winter. These plants are pretty well dried up by spring and in most cases are not worth planting. All our Roses are Northern grown.

HYBRID TEA or EVERBLOOMING ROSES

Roses all Summer till Frost

These Roses bloom from June until frost and from a standpoint of blooming are the most desirable. They are not as hardy as the so-called Hybrid Perpetual Roses or June Roses, but they bloom so much more and with finer blossoms that they are well worth the little extra care. See our pamphlet "Success with Roses."

You will find here some new and interesting varieties.

	Each
BEDFORD CRIMSON, New, crimson	2.00
CUBA, New, orange scarlet	1.50
ETOILE DE FRANCE, velvety crimson	1.00
ETOILE DE HOLLANDE, New, crimson-red	1.75
FRANCIS SCOTT KEY, red	1.00
GENERAL McARTHUR, cherry-red90
GRUSS AN TEPLITZ, deep red, very popular85
HENRY FORD, New, lemon yellow	1.25
J. L. MOCK, deep pink	1.00
JOHN RUSSELL, New, rich crimson	1.50
JULIEN POTIN, New, the Golden Pernet	1.75
LADY ALICE STANLEY, coral rose90
LADY HILLINGDON, apricot yellow	1.00
LADY MARGARET STEWART, New, deep yellow	2.00
LOS ANGELES, flame and gold	1.00
MME. ALEX DREUX, golden copper	1.25

	Each
MME. BUTTERFLY, salmon pink	1.00
MME. CAROLINE TESTOUT, satiny rose	1.00
MME. LEON PAIN, silvery salmon	1.00
MRS. A. R. BARRACLOUGH, New, soft carmine-pink	1.50
MRS. AARON WARD, Indian yellow	1.00
MRS. CHAS. BELL, shell pink	1.00
MRS. ERSKINE PEMBROKE THOM, rich yellow, New	1.25
MRS. HENRY BOWLES, New, deep salmon-pink	1.25
MRS. HENRY MORSE, glowing pink	1.00
MRS. JOHN MENSING, New, soft pink	1.25
MARGARET MCGREDY, New, deep coral red	1.25
MARION CRAN, New, rich yellow, shaded with red and cerise	1.50
OPHELIA, salmon pink	1.00
PINK PEARL, New, lively pink	1.00
RADIANCE, carmine pink95
RED RADIANCE, red95
REV. F. PAGE ROBERTS, golden yellow with deep shadings	1.25
ROSELANDIA, Improved Golden Ophelia	1.00
SENSATION, dark velvety crimson	1.00
SOUVENIR DE CLAUDIUS PERNET, pure yellow	1.00
SOUVENIR DE GEORGES PERNET, oriental red	1.00

Our Roses, Northern Field-Grown, are best for Northern Gardens.

HYBRID PERPETUAL or JUNE ROSES

These are the old fashioned everblooming Roses. They bloom profusely in June and occasionally during the Summer. They make a heavier plant than the Hybrid Tea Roses and the flowers are larger but for formal rose gardens of rather small proportions the Hybrid Tea Roses are to be preferred.

	Each
ANNA DE DIESBACH, clear rose carmine	1.00
AMERICAN BEAUTY, dark pink	1.00
BARONESS ROTHCHILD, light pink	1.00
CAPTAIN HAYWARD, scarlet crimson	1.00
CLIO, pale pink	1.00
GEO. AHREND'S, soft pink	1.00
MME. ALBERT BARBIER, soft fawn yellow, New	1.25
M. P. WILDER, cherry-colored	1.00
MRS. JOHN LAING, clear waxy pink	1.00
MRS. R. G. SHARMAN-CRAWFORD, rosy-pink	1.00
PAUL NEYRON, lilac rose, immense flower	1.00

CLIMBING ROSES

Plant them against backyard fences, walls and trellises.

	Each
AMERICAN BEAUTY, dark pink85
AMERICAN PILLAR, pink, single75
CRIMSON RAMBLER, crimson75
DR. VAN FLEET, pinkish white, tea-rose type95
EXCELSA, cerise75
FLOWER OF FAIRFIELD, fine red75
PAUL'S SCARLET CLIMBER, scarlet, tea-rose type95

BABY RAMBLER ROSES (Polyantha Roses)

The Dwarf Everblooming Rose.

These are especially recommended for borders, and in beds by themselves. They bloom continuously during the summer in clusters and give exquisite color effects.

	Each
CRIMSON BABY RAMBLER, most popular variety85
CHATILLON ROSE, silvery crimson95
GOLDEN SALMON, pure orange scarlet, New	1.25
LAFAYETTE, large cherry-crimson	1.00
MAUD E. GLADSTONE, New. This lovely baby variety came from England. The flowers are fragrant, of delicate pink color, in large compact clusters. Blooms continuously, is hardy and dependable and has lovely glossy foliage. Makes a strong, branching plant. Introductory offer	1.50

These are the ideal Roses for solid beds in the lawn or along the drive; they also make a lovely low brilliant hedge.

ROSA RUGOSA

	Each	Per 10
Used as a shrub and for hedges, dark green foliage, flowers large single red and in autumn large orange-scarlet seed-pods which make the plant quite attractive. 2 yr. plants	.50	4.00

ROSA HUGONIS (the Golden Rose of China)

Earliest of all roses to bloom, large single yellow blossoms, set along stem, pleasing finely cut foliage, grows 6-8'. 2 yr.

No. 1 plants	1.00	9.00
--------------------	------	------

ROSA F. J. GROOTENDORST

Blooms like a rambler in clusters, all summer, red, 2 yr.	1.00	9.00
Pink Grootendorst, same type but pink blossoms, 2 yr.	1.25	11.50

WHY BUGS LEAVE HOME

The well-known Plant Contact Spray for
Roses, Evergreens, Houseplants.

40c per ½ pint can.

EVERGREENS

They give Beauty and Color in Winter
as well as in Summer

Especially the modern style of building calls for fine Evergreens. It is almost impossible to bring out the beauty of these Modern Homes without Modern Evergreens.

For many years we have been developing an up-to-date Collection of Evergreens. A visit to our nurseries will show you thousands of plants for present as well as future offering.

Grown at The Cottage Gardens—Hardy as Michigan Itself.

	Each
ARBOR VITAE, American, or White Cedar, Thuja Occidentalis, per foot	1.50
ARBOR VITAE, Globe-form. Thuja Occ. Globosa, 12-15" spread	2.50
Compact round bushy evergreen of dwarf habit. 15-18" spread	3.50

LANDSCAPE SERVICE

We are equipped to furnish complete Landscape Service. Being growers of the Finer Varieties of Hardy Plants, our Landscape Plantings are always outstanding on account of the Exquisite Varieties we use.

Consult us.

VINES

Following are the hardiest and most satisfactory Vines for Michigan conditions

The sizes given after the name is the normal height about three years after planting.

	Each	Per 10
BITTERSWEET, <i>Celastrus Scandens</i> . 10'. Will thrive in almost any situation	2 year .60	5.50
CLEMATIS PANICULATA. 8-10'. Star-like flowers in late summer followed by a sheen of fuzzy fruits.	2 year .60	5.50
CLEMATIS JACKMAN, <i>Clematis Jackmanni</i> . 8' Large purple flowers during July and August. Needs rich moist soil, better not to plant against a foundation wall	1.00	
EUONYMUS RADICANS. Evergreen, rich green foliage, pink fruit. Comes in Trailing and Upright type, state in your order which you desire	2 year .65	5.50
HONEYSUCKLE, HALL'S CLIMBING, <i>Lonicera halleana</i> . 10-12'. White flowers turning to pink, blooms all summer. One of the best for porch screens	2 year .60	4.00
HONEYSUCKLE, RETICULATA AUREA. Similar to above but golden margined foliage	2 year .60	4.00
IVY, BOSTON, <i>Ampelopsis Veitchi</i> . 20-30'. Best of the clinging vines	2 year .60	5.00
IVY, VIRGINIA CREEPER, <i>Ampelopsis Quinquefolia</i> . 20-40'. Rapid grower, forms thick screen in short time. Does not cling to stone or brick as long as Boston Ivy	2 year .60	5.00
TRUMPET VINE, <i>Bignonia Radicans</i> . 8-10'. Large trumpet shape flowers in summer	2 year .60	5.00
WISTERIA BLUE, <i>Wisteria sinensis</i> . 15-25'. One of the best vines covering wide porches. The purple flowers appear in long racemes but the plant is not apt to flower until the maximum growth is completed	2 year .60	5.00

Old Favorites,

once planted, will bloom
year after year in greater
abundance.

Planting Directions

Varieties not over two feet tall should be planted 12 inches apart; taller varieties, half their ultimate height. You will find the height of every plant stated in our directions. The tall plants should be at the back of the border, the dwarf edging plants in the front and those of medium height tucked in between the two extremes.

Any soil will do, but if you mix in some fertilizer, sheep or well decayed stable manure, you will obtain the best results. In dry spells, perennials should be watered and the ground stirred around them occasionally.

VARIETIES SUITED FOR ROCK WORK ARE MARKED R PRICES OF PERENNIALS

Unless otherwise noted prices of the following perennials are:

2 year clumps, 40c each, 75c per 3, \$2.25 per 10.

1 year transplanted, 25c each, 65c per 3, \$1.75 per 10.

Aquilegia (Columbine)

- R ACHILLEA THE PEARL. 2'. Double white flowers in summer.
- AGROSTEMMA CORONARIA, Rose Champion, 2½'. Silver foliage, rose flowers in June-July.
- R ALYSSUM SAXATILE COMPACTUM, Dwarf Goldentuft. 8". Yellow, April-May.
- R ALYSSUM ARGENTEUM, silver foliage, yellow flowers April-May.
- R ALYSSUM ROSTRATUM, makes shrubby growth. 1½'. Pale yellow.
- ANCHUSA ITALICA DROPMORE. 3'. Gentian blue, June-July.

- R ARABIS ALPINUS, Nana Compacta. (Rock Cress). 1'. Pure white, April.
- R ARMERIA FORMOSA HYBRIDA. Seapink or thrift. 1¼'.
- R ARMERIA MARITIMA, pink flowers, grasslike foliage, May-June.
- ARTEMISIA LACTIFLORA, white flowers, 5', fragrant.
- ARTEMISIA SILVER KING, silver-leaved artemisia, 2½'.
- AQUILEGIA, Columbines. California Hybrids, large spurs. Carmine with yellow, 3'.
- AQUILEGIA HELENÆ, deep blue.
- AQUILEGIA LONG SPURRED HYBRIDS, all colors.
- R ASTER, ALPINUS, blue and white, spring blooming, 8".
- ASTER, BRUSSELS, pink, 4'.
- ASTER, CAPITAIN, mauve-pink, 4'.
- ASTER, KING OF THE BELGIANS, Lobelia blue, 3'.
- ASTER, MAID OF ATHENS, large bright pink, flowers 2" across. 50c each, 1.25 per 3, \$3.50 per 10.
- ASTER, SNOWDRIFT, pyramidal growth, white flowers in profusion.
- ASTER, TATARICUS, bluish purple, late flowering.
- ASTER, WHITE CLIMAX, large single white flowers, 5'.
- ASTILBE (Spirea) A bulbous, hardy Spirea of striking punctuating character when distributed among the medium height perennials of the garden borders. The flower spikes have an average height of 2-3'. To get best results plant in partial shade where there is plenty of moisture. The soil need not be extra rich.
- | | Each | Per 10 |
|--|------|--------|
| AMERICA, deep lilac pink | .50 | 5.00 |
| BETSY CUPERUS, New, white with pink center | .75 | 7.00 |
| DAVIDII, purple red | .75 | 7.00 |
| GLORIA, dwarf habit, brilliant dark pink | .75 | 7.00 |
| GLORIA, PURPUREA, very dark pink | .75 | 7.00 |

Delphinium Hybrids

Arabis Alpinus, always splendid in the Rockery

- | | Each | Per 10 |
|--|------|--------|
| ASTILBE—(Continued) | | |
| GRANDIS ROSEA MAGNIFICA | .75 | 7.00 |
| JO OPHORST, purplish red | 1.00 | 8.50 |
| MARG. VAN RECHTEREN, bright red, tinged dark lilac | .75 | 7.00 |
| PEACH BLOSSOM, pink | .75 | 7.00 |
| SALLAND, fine red | .75 | 7.00 |
| R AUBRIETIA, Rock Cress or False Wall Cress, blue, lavender, pink, 6". | | |
| BLEEDING HEART. See Dicentra. | | |
| BOLTONIA ASTEROIDES, False Chamomile, 5', white aster-like flowers in late summer. | | |
| R CENTAUREA DEALBATA, rose-pink, 1½'. | | |
| CENTAUREA MONTANA, perennial Cornflower, 1½'. | | |
| CLEMATIS DAVIDIANA, deliciously fragrant, deep lavender blue flowers in August and September, 2½', 45c each. | | |
| R CONVALLARIA MAJALIS, Lily of the Valley. Large pips, 3 for 30c, 12 for \$1.00, 100 for \$7.50. Clumps 25c each. | | |
| R CERASTIUM TOMENTOSUM, (Mouse ear), silver-gray foliage, white flowers, 8", May-June. | | |
| CHRYSANTHEMUM, maximum, Shasta Daisy, 2'. | | |
| CHRYSANTHEMUM, HARDY. We handle during spring about 10 varieties of the new Hardy Chrysanthemums. They are supplied from pots and will bloom the same year in profusion. These chrysanthemums bloom earlier than the old fashioned kinds and with some protection over winter are as hardy. It is the most beautiful fall flower we know of. | | |
| COLUMBINE, see Aquilegia. | | |
| COREOPSIS, use Helenium Pumilum Magnificum, which is a perfect perennial and good substitute for Coreopsis. | | |
| DELPHINIUM, perennial Larkspur, 3-6'. | | |
| BELLADONNA, light blue, 3'. | | |
| BELLAMOSUM, dark blue, 3'. | | |
| COTTAGE GARDENS LARGE HYBRIDS, come in double and single, in various shades of blue and mauve, 40c each. | | |

Hardy Chrysanthemums

Gaillardia
(Blanket Flower)

DELPHINIUM—(Continued)

WREXHAM STRAIN, Hollyhock Delphiniums, 8'. Mammoth flowers on tall stems. The latest in Delphiniums, 75c each.

R SINENSE, blue or white, 1½'.

DIANTHUS BARBATUS, Sweet William, mixed colors.

R DIANTHUS PLUMARIUS, hardy pink.

DICTAMNUS ALBA, Gasplant, 50c each.

DICENTRA SPECTABILIS, Bleeding Heart, 65c each, 3 for \$1.75.

ECHINOPS HUMILIS CYANA, large blue Globe Thistle. Beautiful for dry bouquets, 3'.

R FUNKIA LANCIOLOATA, LANCIFOLIA and VARIEGATED, 1'.

GAILLARDIA GRANDIFLORA, Perennial Gaillardia, 1½', blooms all summer, orange brown and yellow.

R GEUM ATROSANGUINEA, Avens, 1½', crimson flowers nearly all summer.

GYPSOPHILA PANICULATA, Single Baby's Breath, 2'.

GYPSOPHILA BRISTOL FAIRY, the double variety, 75c each.

HELENIUM PUMILUM MAGNIFICUM, New, large golden yellow flowers July-October. Takes the place of Coreopsis, is hardier and makes a better plant, 1½'.

HELENIUM RIVERTON GEM, old gold suffused with bright terra-cotta, changing to wall-flower red, August-October, 5'.

R HELIANTHEMUM, Rock or Sun Rose, white, yellow, pink, orange and scarlet blossoms cover the foliage from July to September, 8".

HELIANTHUS MISS MELLISH, Giant Sunflower. Will thrive in wet places but does well in any soil, 6-8', large single yellow flowers.

HELIOPSIS PITCHERIANA, 3½'. One of the best summer flowering perennials for background planting. Golden yellow blossoms.

Dianthus Plumarius in our Fields

Artemisia Lactiflora

GOVERNOR HUGHES, violet.
 HONORABILIS, 10c each.
 INNOCENZA, pure white, 50c each.
 ISOLINE, silvery rose and mauve.
 JACQUESIANA, lilac red and flaring purple.
 JOHN DE WIT, 10c each.
 KOCHI, dark solid violet blue.
 LORELEI, yellow and purple.

HELIOPSIS SCABRA ZINNEA-
 FLORA, double form of above,
 3½'.

HEMEROCALLIS, (Yellow Day
 Lily).

AURANTIACA, rich pure
 orange-yellow.

FLAVA, clear full yellow.

FLORHAM, rich golden yel-
 low.

GOLD DUST, beautiful orange.

ORANGE MAN, pure orange.

SOVEREIGN, dark orange.

HIBISCUS MOSCHEUTOS, Giant
 Marsh Mallow. Comes in red,
 pink and white. Giant flowers
 in late summer on plant 4' tall.
 One of the finest background
 perennials. Does well almost
 anywhere.

HOLLYHOCKS, double, red, pink,
 rose, white, yellow, maroon.

HYACINTHS CANDICANS, Sum-
 mer Hyacinths. A very fine
 semi-hardy bulb that produces
 spikes similar to gladioli and
 with white bell shaped flowers,
 75c per dozen bulbs.

PRICES OF IRIS

Except where noted, 25c each. 3 of a
 variety 70c, 10 of a variety \$2.00.

IRIS GERMANICA, Fleur de Lis.

ALCAZAR, violet purple.

AMBASSADEUR, reddish vio-
 let and maroon, 50c each.

ARCHEVEQUE, purple violet.

ASIA, orchid, \$2.00 each.

BLACK PRINCE, dark violet
 blue, 15c each.

CAPRICE, mauve.

ELDORADO, yellowish bronze
 and purple.

FLAVESCENS, cream, 15c
 each.

FLORENTINA ALBA, early
 white, 15c each.

GERTRUDE, blue.

- MME. CHEREAU, white with blue margin, 10c each.
 MITHRAS, canary yellow and crimson.
 MONSIGNOR, satiny violet and purple crimson.
 MOTHER OF PEARL, bluish lavender, 40c each.
 MRS. ALAN GRAY, pale rose-mauve.
 MRS. H. DARWIN, white and violet margin.
 MRS. WM. FRYER, white and purple crimson.
 NIBELUNGEN, fawn-yellow and violet purple.
 PALLIDA DALMATICA, clear lavender blue.
 PERFECTION, light blue and violet black.
 PRINCESS VICTORIA LOUISE, sulphur yellow and rich plum.
 QUEEN ALEXANDRA, fawn and lilac.
 QUEEN OF MAY, rose pink.
 RHEIN NIXE, white and violet-blue.
 SHEKINAH, pure yellow.
 VIOLACEA GRANDIFLORA, rich blue.
 WHITE KNIGHT, white, 50c each.
- INTERMEDIATE IRIS. Blooms ahead of German Iris and are shorter.
 HELGE, light citron, 15c each.
 SPECTABILIS, rich violet purple.
 WALHALLA, lavender blue and wine red.
 ZUA, lavender white, ruffled like crepe.
- JAPANESE IRIS. Except where noted 35c each, 3 for 85c, 10 for \$2.50.
 GEHKA NO NAMI, white.
 HERCULE, double lilac blue.
 IPHIGENIE, chinese blue.
 MAHOGANY, mahogany, double.
 PATROCLE, single dark violet.
 UCHIU, blue, golden center and white.

IRIS, Orchid of the Northern Garden

Liatris Pycnostachia
(Kansas Gayfeather)

R IRIS PUMILA, Dwarf Iris, fine for rock gardens and edge of Perennial border. ATROVIOLACEA, violet-mauve. DITTON PURPLE, clear violet-purple. FORMOSA, dark violet blue. LA FIANCEE, white. PRAIRIE GEM. FLORIBUNDA. ROYAL PURPLE, deep bright purple. STEWART ALPINA HYBRATA, yellow.

SIBERIAN IRIS, separate colors, light blue, dark blue and white.

LATHYRUS, Hardy Sweet Pea, in colors pink, red and white.

R LINUM PERENNE, blue and white. A very pretty rock plant with attractive foliage, 1½'.

LUPINES. We have a wonderful collection of Lupines in the following strains: Downers Hybrids, Harkness Hybrids, Lavender Queen, Moerheimi, Pudor's strain, Rose. The colors in these run from pure white to deepest blue through lavender, pink and nearly red.

R LYCHNIS ALPINUS, 6", tuft of pink blossoms.

LYCHNIS CHALCEDONICA, very fine scarlet flowers, 3'.

R NEPETA MUSSINI, lavender blossoms, pretty foliage, 1¼'.

R OENOTHERA, Evening Primrose, 1', yellow and rose.

R PACHYSANDRA TERMINALIS, Japanese Spurge. The ideal ever-green ground cover. Wherever you cannot grow grass this plant will thrive, especially in shady places and under trees.

PAPAVER ORIENTALIS, Oriental Poppy. See our special Peony and Bulb Catalog in which we list a collection of Oriental Poppies. These plants should be planted during August, as during spring and late fall months they are not dormant and transplant difficult at that time.

PENNESITUM JAPONICUM (Fountain Grass).

PENTSTEMON DIGITALIS, white foxglove-like flowers, 3'.

PENTSTEMON GLABER ROSEUS, pink passing to deep rose, 3'.
 PEONIES, for spring planting, white and pink 35c each, red 60c each.

MODERN PEONIES

This Greatest of all outdoor Flowers is our Specialty. We grow Modern Peonies by the acre and you will always enjoy a visit to our trial garden or fields from June 15 till June 25. Our Peony and Holland Bulb catalog is the finest book issued on these two important subjects; a copy may be had free upon request.

PHALARIS ARUNDINACEA, Ribbon Grass.

PLATYCODON GRANDIFLORA, Balloon Flower, white and blue.

R POTENTILLA GIBSONI, very pretty gray-green foliage, 6".

R PRUNELLA GRANDIFLORA, blue, $\frac{3}{4}$ '.

R PYRETHRUM ROSEUM, Painted Daisy, pink, red and white, blooms almost all summer, 1 $\frac{1}{2}$ '.

PHLOX (Hardy Phlox)

PHLOX DECUSSATA.

AFRICA, fine dark red.

ASIA, lilac-rose, brilliant carmine eye, New, 35c each.

BRIDESMAID, white with carmine eye.

ELIZABETH CAMPBELL, the loveliest of all Phlox, clear salmon pink with lighter center, 35c each.

EVELYN, tall, rich salmon rose, New.

H. B. MAY, very large individual flowers of soft pink shade, New, 35c each.

KARL FOERSTER, glowing dark orange-red.

LA VAGUE, mauve-pink.

LE MAHDI, the best dark blue Phlox grown.

MRS. MILLY VAN HOBOKEN, soft shell-pink flowers of immense size.

MRS. SCHOLTEN, New, dark salmon-pink in enormous pyramidal spikes.

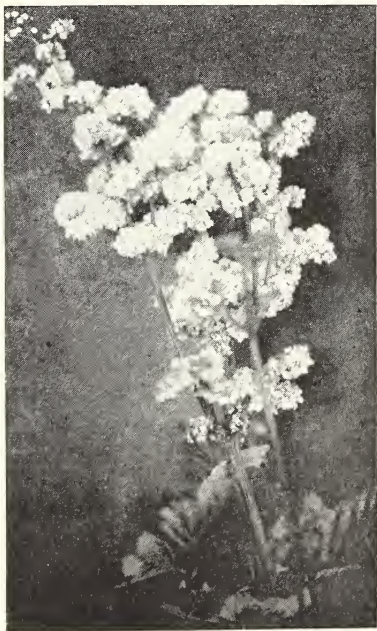

MRS. WM. JENKINS, tall, white.

MIA BUYS, rather dwarf habit but the finest pure white Phlox in existence, bright green foliage and very refreshing white flowers.

PANTHEON, dark pink.

SPECIAL FRENCH, large clear pink.

VON LASSBURG, tall growing white Phlox.

Spiraea Ulmaria fl. pl.

WIDAR, deep violet blue with pure white eye.

PHLOX SUFFRUTICOSA, "Miss Lingard", white, blooms ahead of the above Phlox and makes a fine cutflower.

R PHLOX Subulata Alba, (Moss Phlox), white, 5".

R PHLOX Subulata ROSEA, rose, 5".

R PHLOX Subulata LILACINA, lilac, 5".

PHLOX ARENDSEI. A new race of Phlox, blooming ahead of the Decussata. We offer two varieties: HANNA, purplish pink; LISBETH, white and pale lilac, 35c each.

RUDBECKIA NEWMANNI, Black-eyed Susan. The Perennial Black-eyed Susan.

RUDBECKIA PURPUREA, Purple Cornflower, 3'. An interesting flower with rosy-blue petals and purple cone.

SALVIA NUTANS. July. Spikes shoot up 3½' from foliage that stays low to the ground. Attractive blue flowers.

SCABIOSA CAUCASICA (Pin Cushion Flower). Blooms throughout summer, lavender blue flowers. Prefers sunny location.

R SEDUM (Stone Crop). The ideal rock plant.

R KAMCHATICUM, orange-yellow flowers, creeping foliage, turning golden in autumn, 5".

The New Yucca Filamentosa Variegata

SEDUM—(Continued)

R REFLEXUM, yellow blossoms, very attractive foliage, 6".

Shasta Daisy

- R SEXANGULAIRE, dark green foliage, yellow blossoms, 4".
- R SIEBOLDI, round succulent glaucous foliage, pink flowers in August and September, 6".
- R SPECTABILIS, 1½', heads of handsome rose colored flowers.
- R SPURIUM COCCINEUM, dark foliage, rose-crimson flowers, 5".
- R STOLONIFERA, flowers purplish pink, July-August, 6".

R SEMPERVIVUM (House Leek), Mixed.

SHASTA DAISY.

SILENE ASTERIAS

GRANDIFLORA, croppy foliage with spikes of beautiful heads of dark crimson flowers.

R SILENE SHAFTA (Autumn Catchfly), masses of bright pink flowers, July to October, 5".

SPIREA FILIPENDULA (Dropwort), numerous corymbs of white flowers on stems 15" long, June-July, fern-like foliage.

SPIREA ULMARIA FL. PL. (Meadow Sweet), grows 3' high and produces its double white flowers during June and July.

R STATICE LATIFOLIA (Sea Lavender), like Pink Baby's Breath. A very fine perennial for bouquets and in the border, 2'.

STATICE GMELINI. Similar to above but somewhat larger individual flowers, '.

THALICTRUM AQUILEGIFOLIUM (Meadow Rue), graceful foliage and rosy purple flowers, 2½'.

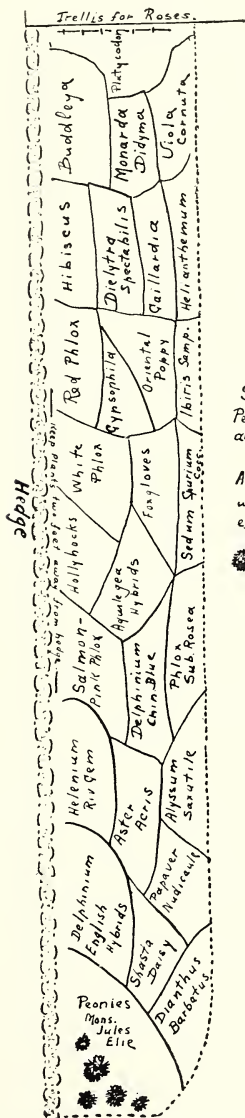

R THYMUS SERPYLLUM, Mountain Thyme. Fragrant foliage with white and crimson flowers, 4".

TRITOMA PFITZERI, Red-Hot Poker. Spikes with bright orange flowers from late summer till late fall. Not perfectly hardy unless well covered during winter. 3½'. 50c each, 3 for 90c, 10 for \$2.75.

Suggestion for Perennial Border along driveway.

Annua's & Holland Bulbs will increase the fine effect of this border.

☼ = Evergreens.

*The Cottage Gardens
Lansing Mich.,*

Suggestion for Perennial Border

VALERIANA, Garden Heliotrope.

RUBRA, showy heads of old rose flowers, 2'.

ALBA, showy heads of white flowers.

OFFICINALIS, showy heads of rose tinted white flowers, June-July, 3'.

R VERONICA INCANA, gray foliage, spikes with pretty blue flowers, July-August, 8".

R VERONICA ROYAL BLUE, brilliant blue flowers in profusion in June-July.

R VERONICA PRENJA, very pretty creeping sort, blue flowers, 8".

R VERONICA PULCHELLA, navy-blue, very fine, ¾'.

VERONICA SPICATA, Speedwell, 3', blue.

VERONICA LONGIFOLIUM SUBSESSILIS, true Blue-bird Flower, deep indigo blue, large spikes, 2', July-September.
40c each, 3 for \$1.00, 10 for \$2.75.

R VIOLA CORNUTA, Tufted Pansy.

SPRING MESSENGER, bright rich purple, blooms all spring and summer.

LUTEA, golden yellow.

PERFECTION, light blue, large flowered.

R YUCCA FILAMENTOSA (Adams Needle). Very effective as a specimen in the lawn, swordlike evergreen foliage and immense branching spikes of drooping creamy white flowers, rising to a height of 6'.

YUCCA FILAMENTOSA VARIEGATA. Variegated foliage. Very beautiful and an improvement over above variety. 50c each.

Collection of Rock Plants

These Collections are very suitable for the average rockery; all plants are of dwarf character and the assortment is made up to give harmonious color distribution. All plants are plainly labeled.

12 Rock Plants, 12 varieties, our selection	3.00
24 Rock Plants, 12 varieties, our selection	5.35
50 Rock Plants, 20 varieties, our selection	10.50
100 Rock Plants, 20 varieties, our selection	20.00

Plant Some Giant Mallow Marvels

These plants grow 4-5 feet tall and produce in late Summer immense flowers in bright red, pink and white. A very interesting plant.

40c each, 75c per 3, \$2.25 per 10.

A Garden Full of Flowering Hardy Plants for \$4.85

To encourage the planting of Hardy Flower Borders, we have made up the following Collection, which forms a wonderful beginning for a gorgeous Hardy Border, in which the plants live from year to year and flower in abundance:

For descriptions see list of Perennials, pages 18-28.

- 3 ACHILLEA "THE PEARL", double white, grows 2' high.
Blooms during summer.
- 3 COLUMBINES, in fine colors, grows 3' high.
- 3 HARDY ASTERS, pink, 4', blooms in fall.
- 3 HARDY CHRYSANTHEMUMS, bronze, yellow, pink, 2'.
- 3 DELPHINIUM, Hardy Lark Spur, fine blue, 3', blooms summer.
- 3 GAILLARDIA, (Blanket Flower), orange-red and yellow, 1½'.
- Blooms all summer.
- 3 HELENIUM PUMILUM MAGNIFICUM, yellow, 1½', summer.
- 3 HARDY PHLOX, pink, red, white or purple, blooms all summer.

24 Plants in all.

Planting Directions enclosed with plants.

We list three plants of a variety as one plant of a kind does not make as good an effect. Plant each group of three in triangle fashion. Plant about 18 inches apart.

A Complete Foundation Planting for New Homes and Old

We will advise you as to the planting of these plants to greatest advantage. For descriptions see pages 2-7.

Cottage Gardens Grass Seed

Although we have never done any advertising of our Grass Seed thus far, we have every year sold a remarkable quantity of Seed. We started to mix some several years ago and customers told us that they never had been able to buy such wonderful seed. Several landscape architects would not have any other but our Grass Seed and we even are shipping quite a bit to distant places. Still our mixture is no secret, only we are mighty particular that the seed is always fresh and free from chaff and other impurities.

COTTAGE GARDEN GRASS SEED, per pound50
SHADY LAWN MIXTURE, per pound60

Vigoro

A very good Garden and Lawn Fertilizer.

50 pound bag	3.00
25 pound bag	1.75
5 pound bag50

USE: Lot 30 x 125	50 lbs.
Lot 40 x 125	75 lbs.
Lot 50 x 125	125 lbs.
Lot 60 x 150	175 lbs.
Lot 75 x 150	250 lbs.
Lot 100 x 150	350 lbs.
Lot 150 x 150	550 lbs.
Lot 200 x 150	750 lbs.

Allowance has been made for average space occupied by house, sidewalks, etc. Use these quantities for spring and fall applications; one-half that much for summer.

Imported Holland Bulbs

In the matter of Variety and Grade, Cottage Gardens Imported Bulbs are a far cry from the ordinary run of Holland Bulbs.

If you would have those finer things, mammoth bulbs in exquisite varieties, ask for our special Catalog of Peonies and Imported Holland Bulbs. Our Bulbs, imported to order, are seldom higher and often lower in price than ordinary bulbs. **But order before July 1st.**

NOTICE TO PURCHASER

TERMS OF SALE: Unless otherwise specified terms of sale are cash, or, for customers known to us, thirty days from date of sale. Prices are f. o. b. Nursery.

GUARANTY: All stock is guaranteed to reach the customer in live, healthy condition. Stock arriving otherwise will be replaced free of charge, if reported immediately after arrival.

REPLACEMENTS: We agree to replace dead stock as follows, when properly planted and cared for.

Trees, Shrubs, Vines and Roses to be replaced at half price if dead before July 1st following season of planting. No replacements made unless bill has been paid according to terms of sale.

Evergreens and perennials do not stand prolonged periods of drought after planting and require special care. We do not replace them unless sold at an advance of the prices quoted herein.

IF WE PLANT: If planting is done by us, we will replace any plants free of charge if reported dead before August 1st following season of planting, with the exception of Evergreens, which are replaced at half price. No replacements made unless bill has been paid according to Terms of Sale, and material has had proper care after planting. In no case will we be responsible in excess of the original purchase price of goods.
